

CG PRODUCT RANGE

Excipients & APIs

- ✓ High quality made in Germany
- ✓ Customised products
- ✓ Injectable grades
- ✓ Individual service

1,2 Propylene Glycol, USP,EP

Acetic Acid Glacial 99/100 % USP,EP

Acetone USP,EP

Aluminium Potassium Sulfate 12-hydrate EP

Ascorbic Acid USP,EP

Benzoic Acid Flakes USP, EP

Benzyl Alcohol USP, EP

Benzyl Alcohol USP, EP

Benzyl Benzoate USP, EP

Boric Acid Powder USP, EP

Butylhydroxy Anisole USP, EP

Butylhydroxy Toluol USP, EP

Citric Acid Anhydrous USP, EP

Diethyl Ether EP

Disodium Phosphate Anhydrous USP, EP

EDTA Disodium Salt USP, EP

Ethyl Acetate USP, EP

Formic Acid 99/100 % EP

Fructose Crystalline USP, EP

Glycerol 99% USP, EP

Glycine USP, EP

Hydrochloric Acid 37% USP, EP

Isopropyl Alcohol EP, USP

Lactic Acid 90 % USP, EP

Lactose Monohydrate 100 Mesh USP, EP

Macrogol 400 USP, EP

Macrogol 4000 Powder USP, EP

Macrogol 6000 Powder USP, EP

Manganese-II-Sulfate 1-Hydrate Fine Powder USP, EP

Methyl Alcohol USP, EP

Methyl Parabene USP, EP

Methylene Chloride 98/100% EP

Paraffinum Perliquidum EP

Paraffinum Subliquidum EP

Phosphoric Acid 85 % EP, USP/NF

Polysorbate 80 USP, EP

Pottassium Sorbate Granular USP, EP

Propyl Parabene USP, EP

Sodium Benzoate Powder USP, EP

Sodium Carbonate Anhydrous USP, EP

Sodium Ceto Stearyl Sulphate USP, EP

Sodium Citrate 2-Hydrate EP

Sodium Citrate Anhydrous USP, EP

Sodium Sulfite Anhydrous USP, EP

Sodium Tetraborate Decahydrate Powder USP, EP

Sodium Thiosulfate 5-Hydrate EP

Sorbitol USP, EP

Tartaric Acid USP, EP

Zinc Oxide EP

NOTE

High quality made in Germany

Refined and outstanding product quality for a broad range of applications throughout the pharmaceutical industry

Individual Service

We are working with distribution partners in your country to ensure a high level of individual communication and consulting.

Customised Products

- Individual specifications
- Choose your pharmacopoeia: EP, USP, BP, ChP, JP and more
- Additional testing parameters
- Solutions of individual concentrations

Injectable Grades

- Low level of Endotoxin
- Low level of Bioburden
- Low Elemental Impurities
